

## Cyber Security & InfoSec candidates

Cyber Security recruitment is incredibly candidate-driven at the moment, I know this because I'm a specialist Cyber Security recruiter and I've never been busier. Candidates have more choice as there are more vacancies than candidates, with the top Security professional getting multiple offers.

Over the past few years, Shift F5 have built a network of incredible candidates – from Graduates to Experienced CyberSec Engineers, Cyber/InfoSec Analysts & Heads of IT security and everything in between, if you're looking to hire someone who will make an immediate impact then I can help.

Shift F5 also specialise in placing:

- Software Developers and Engineers
- IT, Networking & Infrastructure Support Engineers
- Sales / Business Development C-Suite
- Revenue Ops / Chief Revenue Officers
- CMO, Marketing Directors, Head of
